Hi Gaby and Caitlin,

I am hoping that you ladies can assist LASAN with an issue that's come up at 253rd and Lomita. We have arrived there for several Fridays in a row and found vehicles parked directly over the clean-out drain and/or in the area designated for the MHU. Signage is placed by LADOT so people will know it's a "temporary no parking" zone. Would it be possible to assist with outreach at the location? I was thinking perhaps Harbor Interfaith and/or LAHSA outreach workers could help with reminding people that the MHU is there for their use each Friday morning and we need the area clear. Additionally, if LAPD and/or LADOT are available to provide support that would likely help as well.

Please advise.

Thank you,

Sarah
